Re: Trauma Activation Fee

Date: September 20, 2010

In accordance with NRS 616C.260 the Administrator is required to review and revise the Medical Fee Schedule (MFS) annually. The revision is to correspond to the annual change in the consumer price index medical component.

The 2011 adjustment to the MFS, effective February 1, 2011, will include a Nevada specific code for trauma activation. The reimbursement for trauma activation will be \$3080.00. This amount is reasonable; it does not exceed the amount usually billed and paid in Nevada.

The Division's Workers' Compensation Section, Medical Unit, is responsible for administering the Nevada MFS. Please direct questions to the Medical Unit in Las Vegas at (702) 486-9080 or Carson City at (775) 684-7270.
